A new website for Dominion.

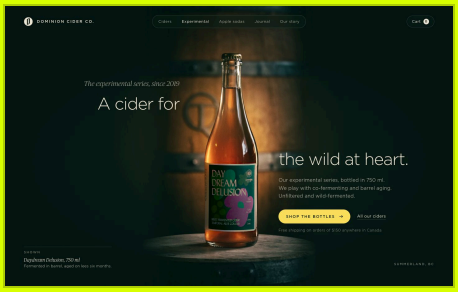

Prepared for the Dominion Cider team by Eric Berg, Crush

01 Branch to bottle.

02 With our hands.

03 Wild at heart.

Your number

$3,500

Paid once.

Half at go, half at launch

$1,750 when you say go, $1,750 when your site is live.

Built within a week

of your go. You see every page before anything goes live.

Yours to keep

Site and files in your name.

What we built it around.

Small-batch cider from branch to bottle.

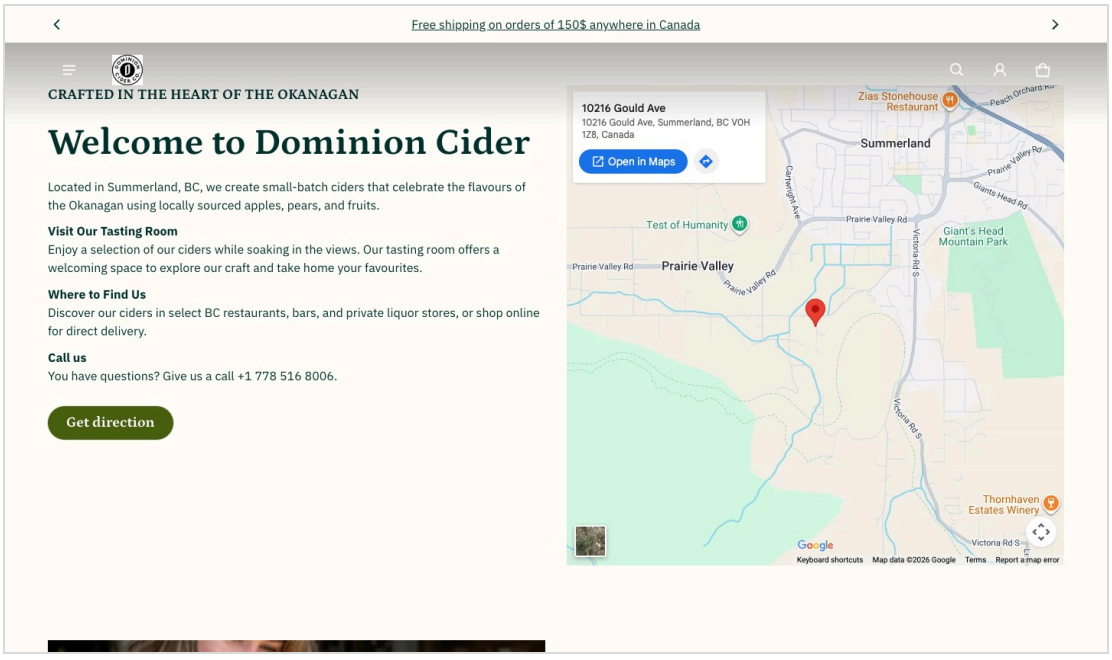

From your homepage. Option 1 blows your can label up to the size of the window: the label's own slant cuts the page, a can spins in, and each flavour brings its own colour.

Something from scratch, with our hands, on land that we steward.

From "Founded by 3 friends" on your homepage. Option 2 is light and open: your new row of pears and quince going in under the hill, re-shot in spring morning light, with your timeline beside it.

A cider for the wild at heart.

From your Daydream Delusion page. Option 3 is the cellar at night: that bottle on a barrel head, and a lamp comes on behind it as the page opens.

Today

New, on a phone

All in the price of your website.

The website

A new site for Dominion: the homepage, your ciders, your tasting room and events, your online shop, and a way to get in touch, built out from the top you've just seen. Built within a week of your go.

An animated promo

A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.

A designed email

Designed and written for your regulars and your list, so the people who already love your ciders hear about the new site and the next release from you.

Twelve ads

Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.

A front desk

First month on us

From Hire Whoever, our sister company: a voice assistant built around your tasting room, so callers asking about hours, what's pouring or this weekend's events get an answer while your team is pouring, and every call becomes a short written record.

Unlimited small changes

For the first 30 days, anything you send is live the next business day. After that, small changes stay free: a price, a photo, your hours, a line of text. Text or email it and it’s done within the week.

Launch email setup

Included when you say go before 23 November 2026

We set up the launch email and line it up for your regulars and your list, ready to go out on launch day.

$3,500, paid once. Nothing that comes with it is billed separately. All prices in Canadian dollars.

Built within a week of your go.

Day 0

You say go

You pay the 50% deposit and give us access to your domain and current site. Your live site won't change until you say.

Days 1 to 7

We finish the site

We build these pages into your full site. You see every page in a preview before anything goes live.

Launch

It goes live

The new site goes live on your domain, and the promo and launch email are ready to go out with it.

After launch

Changes, on us

For 30 days, anything you send is live the next business day. Small changes stay free after that.

Launch day depends on you too: the sooner your answers and approvals come back, the sooner it's live. If we're ever the hold-up, your first three months of Steady, our monthly care plan, are on us.

"We weren't planning to rebuild the website for our cafe, until Eric from Crush approached us... We're so glad he did!"

Alejandra Dominguez, Switchboard Cafe, Salt Spring Island, BC

"I don't respond to emails from outsiders, but I'm glad we did with you."

Midwest Peps, online store, Kansas

"...completely modernized the site while keeping its identity, its history and the content I care about."

Vincent Cheville, Volcano Explorer, La Réunion (translated from French)

Yours, start to finish.

What you own

The site and every file, in your name.

Your photos, ciders, online shop, and contact details carry over.

No commitment on anything monthly. Cancel anytime; the site stays yours.

What you pay

Your website	$3,500
When you say go (50%)	$1,750
When the site is live	$1,750

All prices in Canadian dollars.
This proposal holds until 16 December 2026.

When you want more.

Small changes stay free, so you never need a plan to keep your site right. These are for when you want us working on it every month: no commitment, cancel anytime.

Steady	Any change live the next business day, your Google listing kept current, backups checked by a test restore, updates tested, lookalikes and spam reported.	$250/mo
Grow	Everything in Steady, plus a new page or article a month, showing up in Google and ChatGPT answers, one campaign, review requests and where you stand each month.	$500/mo

Questions.

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

Is it secure?

Yes. It's built lean and tested on a preview first. Your forms, online shop and checkout keep working the way they do now.

Who owns it?

You do. The design and every file sit in your name. Your domain stays with you; nothing of ours renews unless you ask.

How do I make changes?

Text or email me the change. For the first 30 days, anything you send is live the next business day. After that, small changes stay free, done within the week: a price, a photo, your hours, a line of text. Something new, like a page or a feature, gets a price before we touch it, or a monthly plan covers it.

When do I pay?

Half ($1,750) when you say go, the rest ($1,750) when the site is live. You've seen the homepage before paying anything.

What about new releases?

Then the site changes with them. New ciders, hours and events are easy to update, and I'll load your current lineup into it as part of the build.

Say go.
